

## SUPPLEMENT ANNEXATION, DETACHMENT, REORGANIZATION PROPOSALS

**INTRODUCTION:** The questions on this form are designed to obtain data about the specific annexation, detachment and/or reorganization proposal to allow the San Bernardino LAFCO, its staff and others to adequately assess the proposal. You may also include any additional information which you believe is pertinent. Use additional sheets where necessary, and/or include any relevant documents.

1. Please identify the agencies involved in the proposal by proposed action:

ANNEXED TO	DETACHED FROM
San Bernardino County Fire Protection District (SBCFPD)	

2. For a city annexation, State law requires pre-zoning of the territory proposed for annexation. Provide a response to the following:

- a. Has pre-zoning been completed? YES ☐ NO ☐  
b. If the response to "a" is NO, is the area in the process of pre-zoning? YES ☐ NO ☐

Identify below the pre-zoning classification, title, and densities permitted. If the pre-zoning process is underway, identify the timing for completion of the process.

3. For a city annexation, would the proposal create a totally or substantially surrounded island of unincorporated territory?

YES ☐ NO ☐ If YES, please provide a written justification for the proposed boundary configuration.

4. Will the territory proposed for change be subject to any new or additional special taxes, any new assessment districts, or fees?

Yes. SBCFPD Service Zone FP-5 is proposed to be applied to all improved and unimproved parcels in the City of Adelanto for fire protection and emergency medical services. The jurisdiction to annex into the SBCFPD Service Zones North Desert and FP-5 is through the SBCFPD board of directors. Adelanto requests this LAFCO annexation be contingent upon a successful request to annex the territory into the SBCFPD Service Zones North Desert and FP-5.

5. **Will the territory be relieved of any existing special taxes, assessments, district charges or fees required by the agencies to be detached?**

No

6. **If a Williamson Act Contract(s) exists within the area proposed for annexation to a City, please provide a copy of the original contract, the notice of non-renewal (if appropriate) and any protest to the contract filed with the County by the City. Please provide an outline of the City's anticipated actions with regard to this contract.**

The City is not aware of any such contracts at present time.

7. **Provide a description of how the proposed change will assist the annexing agency in achieving its fair share of regional housing needs as determined by SCAG.**

The annexation of Adelanto into the San Bernardino County Fire Protection District will support the City's ability to meet its SCAG-assigned regional housing needs by freeing up approximately \$2.4 million in general fund savings. These funds can be redirected toward infrastructure improvements—such as roads, water, and sewer systems—helping to address existing development constraints. By improving infrastructure capacity, the City can attract more housing developers and accelerate residential growth across income levels.

8. **PLAN FOR SERVICES:**

**For each item identified for a change in service provider, a narrative "Plan for Service" (required by Government Code Section 56653) must be submitted. This plan shall, at a minimum, respond to each of the following questions and be signed and certified by an official of the annexing agency or agencies.**

- A. **A description of the level and range of each service to be provided to the affected territory.**

Annexation into the County Fire District, North Desert Services Zone, will continue fire protection services to the City of Adelanto and its residents and businesses. Since the City currently contracts with the County Fire Department there will be no change to the level and range of services to be provided under the County Fire District.

- B. **An indication of when the service can be feasibly extended to the affected territory.**

Service by San Bernardino Fire is already in place via a contract with the City. No service changes are expected as part of this administrative change.

- C. **An identification of any improvement or upgrading of structures, roads, water or sewer facilities, other infrastructure, or other conditions the affected agency would impose upon the affected territory.**

None.

- D. **The Plan shall include a Fiscal Impact Analysis which shows the estimated cost of extending the service and a description of how the service or required improvements will be financed. The Fiscal Impact Analysis shall provide, at a**

**minimum, a five (5)-year projection of revenues and expenditures. A narrative discussion of the sufficiency of revenues for anticipated service extensions and operations is required.**

Please see Fiscal Impact Analysis in the attachment.

- E. An indication of whether the annexing territory is, or will be, proposed for inclusion within an existing or proposed improvement zone/district, redevelopment area, assessment district, or community facilities district.**

Annexation into a fire protection services zone with a parcel assessment as determined by the Adelanto City Council.

- F. If retail water service is to be provided through this change, provide a description of the timely availability of water for projected needs within the area based upon factors identified in Government Code Section 65352.5 (as required by Government Code Section 56668(k)).**
