

San Bernardino LAFCO Fiscal Indicators

1

City of Adelanto

Report Created:2/5/2020

The City of Adelanto operates with governmental funds and reports one major business-type activity: Public Utility Authority. As a municipality, the City is responsible for law enforcement and fire protection within its boundaries and has chosen to contract with the County for law enforcement services and with the San Bernardino County Fire Protection District for fire protection and emergency response services. The City's Public Utility Authority provides retail water and wastewater services within and outside of the City boundaries. The City has a schedule to complete its backlog of audits. The agency retirement plan is administered by CalPERS. Additional information on the City can be accessed via the link below.

Property Tax Revenue

Description

This indicator will have more importance for those agencies heavily reliant upon property tax revenues. As this revenue source is relatively stable and lags about two years behind changes in market conditions, this indicator can potentially depict the level of stability of an agency's revenue base.

General Fund Revenue (cities)

Description

In most cases, as the percentage of general revenues decreases, a local government loses its ability to respond to changing conditions and to citizens' needs and demands. Decreases in general revenue may also indicate over-dependence on external revenues which are often restricted in nature and could signal future difficulty in maintaining service levels. A ratio of one or higher indicates that the service is self-supporting.

Pension Payments (Pre GASB 68: through 2014)

Description

This indicator depicts the relationship between the pension payments as a percentage of an agency's total revenues. Due to updates to pension reporting requirements, this Pension Payments indicator shows data through 2014. GASB 68 revised and established new financial reporting for pensions effective for 2015. For pension payments for 2015 and beyond, please refer to the next fiscal indicator.
